

THE LEXINGTON THEATRE COMPANY

AUDITION UPDATE – AS OF FEBRUARY 1, 2018

We had a great time on our 2nd leg of the Audition Tour – **LEXINGTON!!** We so enjoyed spending time with our amazing local artists, and seeing some new faces - from near and far!! Thanks to everyone who came to see us!

The list below contains the names of the people that we are considering for our 2018 Season. (This includes both Ensemble and Principal roles, for both *The Music Man* and *A Chorus Line*.)

Please note: Because it is so early in our process, and your audition season, we have included more people on this list than we will actually have contracts for this summer. We know lots can happen between now and March - for us, and for all of you – so we thought it best to keep a large group of you in consideration for the season, for now.

As we progress with the Audition Tour, we will continue to update this list. (See Tour Dates for specifics.) Names may be added to and/or removed from the list, as we move on with our audition process. ***We have now updated the list to delineate those being considered for one or both shows.*** Eventually, there will also be a “considered” and “strongly considered” list – so that you know where you stand with us, as you are planning your summer. Final Casting Decisions will be made in mid-March.

If your name is on this list and you receive another offer or your summer schedule changes in any way, please let us know as soon as possible, by emailing us at casting@lexingtontheatrecompany.org

Thanks again to everyone who auditioned. Please note that the casting needs for our 2018 Season are very specific. So, if you don't see your name below, please know that we enjoyed getting to know you and we hope we will see you at an audition for one of our future shows!
