

THE LEXINGTON THEATRE COMPANY

AUDITION UPDATE – AS OF MARCH 9, 2018

Our **LEXINGTON – KIDS & TEENS** audition was TERRIFIC! We were wow-ed by so many wonderfully talented young people from all over Central Kentucky! Making our decisions on the Youth and High School Apprentices was incredibly difficult! And, if your name is not on this year's list, please come back and see us again in the future!

We enjoyed working with each and every one of you!

The list below contains the names of the people that we are considering for our 2018 Season. (This includes both Ensemble and Principal roles, for both *The Music Man* and *A Chorus Line*, as well as Youth & High School Apprentices)

Please note: Because we know many of you are still in the midst of your audition season, we have included more people on this list than we will actually have contracts for this summer. We know lots can happen in the next couple of weeks - for us, and for all of you – so we thought it best to keep a large group of you in consideration for the season, for now.

However,

We have now updated the list to delineate those being considered for one or both shows, as well as to designate those who are being “strongly considered” – in order to help you know where you stand in our process.

This will be the FINAL “Audition Update” – as we are wrapping up our CINCINNATI auditions this weekend. We will begin to make offers next week (week of March 12). We will post on this page once all offers have been accepted – so that you are aware of our timeline.

If your name is on this list and you receive another offer or your summer schedule changes in any way, please let us know as soon as possible, by emailing us at casting@lexingtontheatrecompany.org

Thanks again to everyone who auditioned. Please note that the casting needs for our 2018 Season are very specific. So, if you don't see your name below, please know that we enjoyed getting to know you and we hope we will see you at an audition for one of our future shows!
